

Attention Education Majors!

**On-Campus Recruiting will be taking place on Wednesday, March 3, 2010.**

Victor CSD and Spencerport CSD will be offering interviews for those students who will be certified to teach in the fall of 2010. Applicants must have the certifications in the areas listed below. Please send your resumes to Michelle Marks-Hook in the Career Center for consideration. Resumes will be sent to the schools, who will then inform us of their selections. Michelle will then email all of the candidates, and if you are selected, you will be asked to sign up for an interview time.

**Resumes must be submitted to Michelle no later than February 10, 2010.**

Victor: English, Business, Mathematics

Spencerport: Sciences, French, Spanish, Elementary

Please specify the school you wish your resume to go to, along with your phone number, certification area and a four digit number, which will be used instead of names to identify selected candidates. (Most people use the last four digits of their social security number.)

Send your resumes to [mmarks-hook@sjfc.edu](mailto:mmarks-hook@sjfc.edu)

If you have any questions, please call the Career Center at 385-8050.
