

JOIN FACULTY FOR C/J BROWN BAG LUNCH

The C/J Department is launching an occasional series which we are calling "C/J Brown Bag Lunch." This is an opportunity for students and faculty to meet in a casual setting to discuss topics of interest to the field of mass communication and to the Communication/Journalism Department.

The first C/J Brown Bag Lunch will take place on **Thursday, October 13, from 12:30-1:30 pm in Basil 119**. The topic is The State of the Media in 2005. We will view and discuss a videotaped interview of Dr. Robert McChesney's appearance on NOW, where he discusses the issues of corporate media and the control of broadcasting.

All are welcome to attend. Bring your lunch...bring a friend...come join the conversation with the faculty and students of the C/J Department.

TV CLUB: BACK ON THE AIR

Fisher's own television station, Cardinal Television, is back for another semester. The station, which airs 24/7 in a continuous loop, is host to *Fisher News*, *Personal Foul*, and *The Last Resort*.

This year, the line-ups are:

Fisher News with Emily Engle and Michael Herbert; *Personal Foul* featuring Dan Kapuscinski, Allon Frankland and John Zinni; and *The Last Resort* with Yousef Farraj and sidekick Lisa Famiglietti

For more information on the shows listed, check out the TV Club's website at <http://home.sjfc.edu/tvclub/>.

PR CLUB GETS NEW START

The PR Club will hold meetings for the entire membership every other Tuesday at 1 p.m. starting on October 4. This year, the main goal of the club is to establish a Public Relations Student Society of America chapter at St. John Fisher. In order to do so, the club will create several committees to plan public relations programs on campus and in the community. Committees are being formed to drive student membership, create events, execute marketing plans, and establish fundraising activities.

Membership is open to the entire campus and we strongly encourage those interested in public relations to join. Email announcement will be sent to announce meetings and upcoming events. If you have any questions, call Professor Ginestre at X7299 or talk to club president Colleen Kiser.
