

Foreign Study through Fisher

2010

Will you be prepared to work in the global economy?

- Let Fisher help you internationalize your education.
- Plan early to include one or two semesters abroad in your degree program.
- English language, foreign language, internship programs available.

Fisher makes it all possible through extensive affiliations around the world which provide instructional services for our students. All programs integrate students with a local institution, have an on-site director, and maintain Financial Aid; credits/grades transfer to Fisher. Eligibility: junior or senior standing (minimum 2.75 gpa. unless program specifies 3.0), or 2nd semester sophomore (min. 3.0). See Dr. May, Director, Foreign Study, in B-113.
