Re: 2008 Annual Evaluation Materials
Due to your Department Chair by February 9, 2009

Please review part 3.9.2 of the *Faculty Statutes* for an overview of the annual evaluation process. In brief, each faculty member should prepare an updated curriculum vitae (CV) and a self-evaluation. The self-evaluation should comment on professional activities for the **2008 calendar year**, including (see section 3.9.6):

- Teaching Effectiveness
- Academic Advising
- Scholarship, Research, and Creative Work
- Service to the College, Profession and the Community

Please include relevant supporting materials/documentation.

*As each chair must submit their evaluations to the Dean by March 6th, please provide your CV and self-evaluation to your chair by **February 9th**.*
