

Job Information

Position: Photographer/taking pictures

Date: September 27th 2009--SUNDAY

Hour: 6-7 hours

Work Hours: 1-8 PM

Wage: to be discussed 100-150

Day: Sunday

Job Category: Personal Services

Position Summary:

WE need someone this SUNDAY, the 27th to take pictures at an Engagement Party. You will be paid straight away and don't have to be a professional. This is a quick cash for someone in college to make some money.

Position Requirements:

You need to have photography experience, need to be able to take pictures. Edit them using Photoshop & load them on a CD.

We have a camera, don't need to bring a camera but you can if u have a better one than Nikon D5000. Please call me ASAP, or email me with some of your photography skills.

If I don't pick up please leave me voicemail or email.

Again I need a photography student or someone exceptionally well with taking professional-like, nice pictures with editing skills. You can even use this as a project or portfolio use. Call for details, I know its short notice but it is a Sunday.

You don't need to be a professional
