

I am interested in hiring 2 to 3 new associates for our nursery at Midtown Athletic Club. The hours would be Friday nights, 3 to 7p, Saturdays , 8:30a – 1p or 1p to 6p and Sundays 8:30a – 1p or 1 to 4p. A minimum of 2 shifts a week are required. If an associate works a minimum of 2 – 4 hour shifts a week they are eligible for a free membership. The pay is \$7.35/hr.

The applicant must have experience with children ages 8 weeks to 12 years. They can be CPR infant/child certified but if they are not they can sign up for the class through Midtown Athletic Club and the cost of the training will be covered by the Club.
